II. *Brief license for the sale of foreign liquor*—This is divided as the previous is set apart—There will be of two kinds—one for the sale of all kinds of foreign liquor, except "native" beer and the other for the sale of beer brewed in India.

(a) The former will be issued at the discretion of the Board and Collectors at payment of an annual fee of Rs. 100 in the town of Madras, Rs. 50 in Coimbatore, Ceylon and Wellesley, Rs. 25 in towns having a population of 25,000 and over and in Kodaikall, Tirunel, Kottar and Cochin, and Rs. 10 in the rest of the Presidency. Under these licenses the sale of liquor in one transaction will be prohibited. In Madras the right of selling Colombo, Cacha or Malabar spirits for removal from the premises in bottles in quantities exceeding one quart will be restricted to licensed keepers who have taken out a special license for the purpose which will be issued on payment of an annual fee of Rs. 100, while the ordinary retail license holder will be allowed to sell any kind of foreign liquor except Colombo, Cacha or Malabar spirits and "native" beer.

(b) *Brief license for the sale of beer brewed in India* will be issued to successful bidders for beer shops on payment of an annual fee of Rs. 50.

III. *Brief license for the supply of spirits in hotels and refreshment-houses*—There will be of two classes at annual fees of Rs. 100 or Rs. 50 in Madras, Rs. 250 or Rs. 50 in the Nilgiris, and of Rs. 50 or Rs. 25 in the rest of the Presidency, as may in each case be determined by the Collector. The liquor may be sold under these licenses otherwise than in restaurants, hotels and boarding-houses for their own use and that of their guests, or to casual visitors requiring liquor with the meal or snack supplied to them.

In Madras a holder of a brief license desirous of setting up and maintaining in his hotel a "bar" or "lounge" may, on payment of a monthly fee of Rs. 50 for a first-class bar or Rs. 25 for a second-class bar, be granted a separate license to so called a bar license. This will cover the sale of foreign liquor, except Colombo, Cacha or Malabar spirits, under the same conditions and to the same extent as the former license.

In Madras, special bar licenses will also be issued to others than holders of hotel licenses with the previous sanction of the Board of Revenue. The fee in each case will be fixed by the Board and the license will enable the holder to sell to all comers.

IV. *Refreshment-room license* will be of two classes—

(a) *For refreshment-rooms maintained by, or under the supervision and control of, railway companies and passenger or managers of boats of all companies for the supply on the premises of travellers by rail or by boat*—The annual fee payable for such license will be Rs. 50. Under these licenses liquor may be sold to bona fide travellers, or to other persons connected with regular work in the course of their occupation on the premises to any extent, provided that no more than one quart of spirits or two quart of spirits of any white kind of liquor sold at the refreshment-room may be sold at one time to any such traveller for removal from the premises.

(b) *For refreshment-rooms in which the sale of liquor is ordinarily confined until the supply of such or of similar property has ceased to the European market*—The annual fee will be Rs. 500 in Madras and Rs. 75 in the rest of the Presidency. It will at all times be optional with the Collector to withdraw licenses of this description if it should appear that the sale of liquor to persons who have not previous of access in the refreshment-room is permitted to such an extent or so habitually that the refreshment-room may fairly be classed as a tavern. Sale of liquor for removal from the premises will not be allowed under these licenses. The premises to be used for the sale of liquor under these licenses must be at least of the weekly rental value of Rs. 50 in Madras and in Coimbatore and Cochin, Madras and Rs. 25 in the rest of the Presidency.

V. *Unlimited license*, such as license for the sale at refreshment-stalls in connection with race meetings and public entertainments. These will be granted by Collectors at their discretion for periods not exceeding ten days at one time and at such fees not exceeding Rs. 100 on each occasion as they may determine. No removal of liquor from the premises will be allowed under these licenses.

VI. *Special license* will also be granted by Collectors in consultation with the officers of the Salt, Mining and Customs Department when the circumstances are such as not to allow of the issue of license of any of the above descriptions on such terms and conditions and for such periods as they may in such cases determine.

VII. *Collector's license*—Annual fee, Rs. 5. The following are important provisions of this license—

- (a) Liberty to give sample bottles in respect of all consignments, whether trade consignments or the property of private persons, in order that intending purchasers may have the opportunity of testing high class wines and spirits at their own houses before the auction sale.
- (b) Authority to sell wines, spirits and beer in low quantities than whole dozens of each description in the case of sales by auction of the property of private persons or estates or of trade consignments which are staged or otherwise unsaleable.
- (c) Authority to sell by auction at places other than that specified in the license, viz., at any private residence at which the licensee may hold an auction.

* Note.—In places where there are beer shops, holders of retail licenses for the sale of all kinds of foreign liquor except "native" beer will be permitted to sell beer brewed in India on higher premises only in cases as stated in the license at which it was issued.

VIII. *License for the sale of pure rectified spirits*.—These will be issued to Chemist and Druggist firms and other firms or persons specially approved by Collector, on payment of an annual fee of Rs. 10. Under these license the possession of pure rectified spirits in houses of the Imperial police (for such larger quantity as the Collector may, in consultation with the officers of the Salt, Abkari and Customs Department, specially authorize) is prohibited. Pure rectified spirits need not be sold under these license for other than hotel, club, medical, industrial and scientific purposes, and the maximum limit of sale of one litre in the same period is restricted. In any special case the sum of sale to a private individual, two special quarts in the case of sale to a Chemist, medical, practitioner or scientific body and three imperial gallons to any Government, Local Fund or Municipal Board.

IX. *License for the sale, in bottles or machines, of rectified wine and similar preparations containing 50 per cent. and upwards but not more than 45 per cent. of pure spirit* will be issued by Collector on payment of an annual fee of Rs. 10.

1. *License for supplying* $\frac{1}{2}$ *litering forty-fives* will be granted to holders of wholesale license by Collector and those for supplying to licensed distillers by the Deputy Commissioner of Abkari on payment of an annual fee of Rs. 250.

2. *License for the holding of foreign liquors, except beer brewed locally*, will be granted to holders of wholesale license by Collector and to licensed distillers by the Deputy Commissioner of Abkari on payment of an annual fee of Rs. 50.

3. Any two or more of the above kinds of license may be granted to the same person for the sale of liquor in the same premises.

4. No premises shall be used for the sale of liquor unless and until approved by the Collector.

5. All licensees shall maintain and furnish to Collector statement showing separately the consumption of imported foreign liquors and locally made spirit and beer.

6. All sales made by Collector under these rules will be subject to appeal to the Board of Revenue, whose decision will be final.

7. All licensees (other than wholesale and special license) will have effect for the fiscal year, viz., from the 1st April in each year until the 31st March of the following year.

8. The fixed fee exceeding Rs. 50 on all license (other than special and seasonal license) will be payable in two instalments, one half being payable when the license is issued and the other half at the beginning of the second half-year, viz., 1st October.

9. For the convenience of the trade, Collector will, so far as possible, receive and dispose of applications for license under clause IV (a) to have effect during the following fiscal year before the first sale for that year. License for the sale of liquor in medical refreshment-rooms should be very sparingly given.

10. All further information may be obtained and forms of license may be procured at a charge of two annas each at the office of Collector.

11. The Board of Revenue in the department of Dependent Revenue will issue such subsidiary instructions as may be necessary to the carrying out of these rules.

Board of Revenue (Dependent Revenue),

NOTICE OF SALE OF ANKARI AND OTHER PRIVILEGES.

Notice is hereby given that the number of independent shops appointed for the sale of liquor, opium and other articles during the revenue months beginning 1st April 1887 and ending 31st March 1888 and the local limits assigned for them will be notified by Collectors in their District Gazettes, and that the privileges of sale therein will be put up to public auction on the date, at the place and by its officers to be notified by Collectors subject to the conditions hereinafter set forth.

Conditions of Auction Sale.

12. The Districts in which independent ankar shops, foreign liquor licences, beer shops and opium and opium shops, respectively, will be sold are specified below:—

Independent ankar shops.	Foreign liquor licences.	Beer shops.	Opium shops.	Opium shops.
<i>From 1st April 1887.</i>				
Throughout the whole limits of the Presidency including the European Settlements.	In all districts except Coimbatore, Tanjore, Madurai, Chingleput, Kanyakumari, Pudukottai, Ramanathapuram, the Nilgiris, Travancore and Cochin.	In all districts except Coimbatore, Tanjore, Madurai, Chingleput, Kanyakumari, Pudukottai, Ramanathapuram, the Nilgiris, Travancore and Cochin.	Throughout the Presidency.	Throughout the Presidency.

Ankari and opium wholesale depots will be leased for all districts. Particulars regarding them will be found in clause XVI below. A separate notification will be issued regarding them for foreign liquor licences.

III. A deposit must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the Coimbatore district, the selling officer may, where he finds it necessary, require a deposit of Rs. 25 only from bidders for ankar shops. In the South Canara district, the selling officer may at their discretion reduce the deposit to Rs. 5 for shops whose average monthly rental does not exceed Rs. 5.

IV. The shops will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change this order. Open prices will be fixed at the discretion of the Collector. The reserve price placed by Government on the shops will not be published, but the average of the previous five years' rentals will be notified by the Collector, whenever possible, for the information of bidders.

V. No person will be allowed to bid for a shop unless he holds a power-of-attorney from him. VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that he has been associated by a Decree of Court or has previously been guilty of such a breach of the conditions of a lease or of a contract under the ^{Act} ~~Ordinance~~ Act as to render him undesirable.

as a holder of a license or as the ground that he is indebted or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative, after recording his reasons for doing so. V.I.G. officers^a will not be allowed to bid for, or to have any direct interest in ships for the sale of Government.

VII. The ships will be knocked down to the highest bidder, but the sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any other appointed by him.

VIII. In case of dispute the selling officer's decision shall be final. If for any reason the highest bid is rejected, the next highest shall be taken, or the ship be sold at his discretion.

IX. At the close of each day's sale, the deposits made by the successful bidder will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent in addition to the deposit made under clause III for each ship unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause III will be forfeited and the ship will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the bidder will be debited from his bid for the same or for any other ship.

X. Persons to whom ships have been knocked down and who have made deposits as provided in clauses III and IX shall also deposit such further sum as with the former deposits will make up two months' rent (to be paid within ten days from the date of commencement of the Collector's acceptance of the bid) and shall, without unnecessary delay execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the rental deposit exceed two months' rental, the same will be refunded unless the purchaser is required to deposit twice that sum under clause XI infra.

XI. If on any subsequent sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum prescribed in clause X supra, or to get a surety or sureties to execute a security bond for the due payment of all sums that may become due by law under the terms of the contract. The bond shall be stamped (article 14, schedule I, Act II of 1899) and registered at the expense of the purchaser if the amount stated exceeds Rs. 1,000.

XII. On the failure of any person to make deposit under clause X or to comply with the regulations under clause XI supra or to execute engagements and take out licenses as directed, the deposits already made may be forfeited and the ship re-sold under the terms of the Contract of the District Officer as the dates notified by the Collector or otherwise disposed of by the latter officer.

XIII. The seller effected under clause XIII will be at the risk of the defaulting bidder, who will forfeit all sums, and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be debited from the sum owing from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an amount of lost revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be severally liable if the privilege of disposal at auction does by resale and such disposal results in loss to Government as compared with original sale.

XIV. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XV. The deposit referred to in clause X or clause XI, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Collector and the licensee agree, it may be credited towards the first instalment of the dues payable by the licensee.

**AUDIT ORDER OF THE CHINTAPALLEY CO-OPERATIVE SOCIETY, LIMITED,
No. 3926, FOR THE CO-OPERATIVE YEAR 1916-17.**

The accounts of No. 1239 Chintapalle Co-operative Credit Society in the City of Madras for the co-operative year ending 30th June 1917 as audited by M. R. R. Krishna Rao Esq. are passed. Statements of (1) Receipts and Disbursements, (2) Profit and Loss and (3) Assets and Liabilities as they stood on the last day of the year are appended to this order.

1. The society was registered on 20th August 1912 and it was started on its work on the 22nd August 1913. During the period under review 181 members joined the society and there were no members. The paid up share capital at the end of the year was Rs. 1,473, of which Rs. 985 relate to one rupee share and the remaining Rs. 488 to 50 rupee shares which may be paid in instalments. A sum of Rs. 2,666 was received in the period under review by way of fixed deposits (Rs. 2,000 from non-members and Rs. 666 from members); Rs. 4,002 were paid off within the close of the year, so that there was outstanding a sum of Rs. 1,184 on the last day of the year. A sum of Rs. 85 was received and the same was outstanding on the last day of the year under recurring deposits. Under current deposits, both from members and non-members, an amount of Rs. 1,115-11-8 was received in the year and Rs. 177 were repaid so that the amount held at the end of the year was Rs. 238-11-0. Apart from these, the Bank borrowed Rs. 7,000 from the Madras Government Bankers' Co-operative Society, in the period under review, and there was outstanding out of this loan, a sum of Rs. 1,568 on the last day of the year. A sum of Rs. 7,618 was disbursed to members on 75 loans and the amount repaid by them was Rs. 1,281-7-4, of which 16 loans were repaid completely and the amount was Rs. 896. The balance of loans outstanding against members on the 30th June 1917 was 46 and the amount was Rs. 5,616-8-4. It is regrettable to note in a new society like this, it is only in 25 cases instalments are working in Rs. 625-12-0 were free. The managing committee should take steps to avoid such defaults.

2. Out of 75 loans disbursed in the year, 56 loans amounting to Rs. 815 were for members and Rs. 69, two loans to the value of Rs. 425 were for non-members. Rs. 40 but not Rs. 163, 24 loans amounting to Rs. 3,215 were for same non-members Rs. 250 and Rs. 7,500 in the shape of 5 loans were for same exceeding Rs. 250. A large number of loans was granted on mortgage loans, the number being 4 amounting to Rs. 4,810, 25 loans to the value of Rs. 1,513 on the pledge of jewels and the remaining 6 amounting to Rs. 2,768 being granted on the pledge of immovable properties. The purposes for which loans were granted were chiefly, purchase of land and accessories of life and clearing off old debts, viz. Rs. 2,410 and Rs. 4,810, respectively.

3. The contingent charges incurred in the year estimated in Rs. 46-12-0 chiefly spent as amount of printing charges, this being the first year and the cost of establishment was Rs. 45-4-3.

4. The society earned a net profit of Rs. 128-11-0. One-fourth of this amount, viz. Rs. 32-2-6 should be added to the Reserve Fund and be credited to the Madras Central Urban Bank to be there invested. Out of the balance a dividend not exceeding 2 per cent may be paid to the shareholders on their paid up share capital. If there be any balance left it should be added to the reserve and the fact should be reported to the Assistant Registrar.

5. The society is requested to remit an expenditure charge to the Madras Central Urban Bank a sum of Rs. 12-10-0 as "current deposits" in favour of the Madras District Superannuation Fund.

7. An honourarium of Rs. 25-0-0 (one-fourth of the net profit) may be paid to the Secretary for the 1916-17 out of the general funds of the society and this should be treated as an item of expenditure for 1916-17.

8. The society has worked for more than two months in the period under review. The loan interest notices cannot be sent to be participants in the number of members 161. Though there is an entry in the Director's list does not seem to have added the members thoroughly. The President M. R. R. Krishna Rao Esq. and the Assistant Secretary M. R. R. Krishna Rao Esq. are acknowledged.

9. This for the society's consideration to see if the secretary's fee should not be abolished as they are an unnecessary tax on the members.
